# MEN'S SOCCER

The men's soccer team ended the 1982 season with a winning record of 10-6-0. After dropping a 1-0 decision in sudden death overtime in the first round of the NCAA tournament, the team was eliminated from further play. Post-season honors include the team's most valuable offensive player: Scott Aiken, the most valuable defensive player: Jim Young, and the most improved player: Billy Paul. Bill Minturn was elected captain for the 1983 season. Senior captains, Scott Aiken, Jim Young and Doug Graham all received All-Conference and All-Ohio honors while Doug went on to be selected to the third team All-American squad. The team's powerful offense was led by Scott Aiken (16 goals, 7 assists), Nick Sage (11 goals, 5 assists) and Billy Paul (10 goals, 4 assists). After breaking a twenty year old record of goals scored, Aiken now holds Denisons all time new record of 46 goals and 65 over-all points. The team's strong defense was the reason for the winning season, being backed up by two excellent goalies, Steve Horan and Mark Wilhelm. Coach Barclay will be sad to see so many of his players graduate, but looks towards next season with optimism due to the great amount of depth this year.

# WOMEN'S SOCCER

Looking back over the last 4 years on the Women's Soccer team, we've seen a lot of growth and improvement. For when we joined the soccer team it was in its first year as a varsity sport, our coach was also making her debut and we had a lot of inexperienced players. Our schedule has grown from 5 haphazard games to a full schedule of 15 games. We now have 2 sets of uniforms and no longer have to wear hand-me-down's from the men's team or pinnies if the other team also wears white. We are no longer limited to practicing on an unlined archery field.

The Regional tournament took us speeding to Illinois with a very pregnant coach and ambitious players to earn fourth place. We've now established ourselves as being able to compete with the Division I-teams at the O.S.U. Tournament. We even brought home the first trophy for the team this year! But most importantly, we've improved our abilities as both a team and individuals. As seniors, we've grown up with the team and watched it get better each year.

We've grown together as a group of women striving for a common goal — and we think we've reached it. I hope each year the seniors can feel as we do and look back on the continued growth of the soccer team. Women's Varsity Soccer in the Midwest began here at Denison with the first Varsity team — as far as we're concerned it's the only place for it!

Remember the game must go on! Good luck to next year's captains — Judy and Keri — and the rest of the team. Thank you Cheryl, Vix, Trouble, and Josie

To all incoming Freshman and selected student leaders

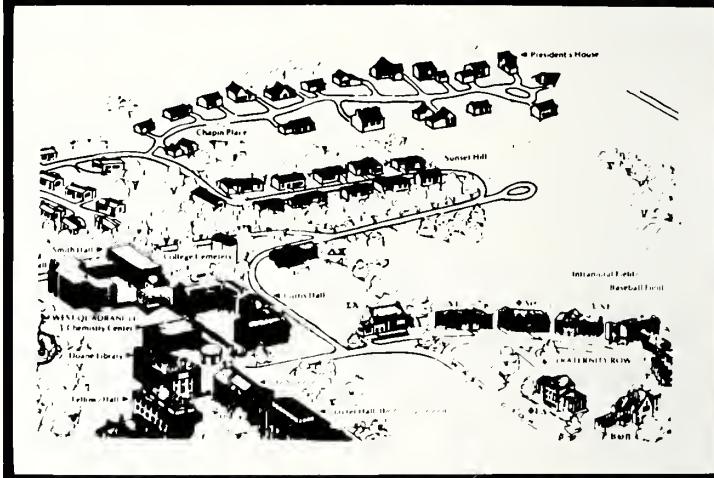

I'd like to take this opportunity to invite you to an informal "Welcome to 'Denison'" picnic at our home.

This will be an excellent chance for us to get acquainted as well as talk with some student leaders about life at 'Denison.'

We look forward to meeting you.

#### TO THE LICENTIOUS WENCHES OF THE RTR SORORITY:

Ladies, we have gained much knowledge and wisdom during our Denison experience . . . Social intercourse has been paramount, however overall stimulation has been lacking for about 90% of our Deny Do days and **nights**. On the other hand, conditions have consistently improved since the formation of our **uplifting** organization. For that we are to be commended.

The Ready To Roll sorority was founded on the premise that eight femmes fatales, who, during their time together up on fourth floor Shorney wanted to fight for their own emancipation proclamation . . .

Ladies, a good effort has been made by each member, and so it is at this time that special merit awards must go out to Martha Clarke, Ellen Gerry, Karen Kearns, Sarah Scott Peck, Virginia Armstrong, Joanne Passano, Cynthia Reed, our honorable New Initiate Claudia Repp and of course myself, Heidi Jill Henney, for **putting out** that extra effort of lasciviousness!

In view of our accomplishments to date and our fruitful projections of the future, I beseech each and everyone of you brazen hussies to live up to the standards and bylaws of our organization — our theme song “Nice Girls” (?) and to remember always that LIFE BEGINS NOW!!! So JUMP, JUMP, JUMP to IT!

Hi Bean, what'd you sat your name is, "O'Connell"? — let's to ice skating & then dancing at Papa Joe's — I'm hungry like a wolf! — Why don't you have a Valentine's day party? — Or we could take a quick, weekend trip to NEW YORK CITY! We'll see our buddy Frank at the Top of the World and the preacher woman with her pigeons at Times Sq. — We might even find out "Who dunnit" from the easter bunny. — But, the (squirt) guns that Carrie gave us are ONLY to be used for 'killer'. — Why don't you help John put the stereo in his car? — After that, do I dare let you help me put the speakers in mine??? The ONE thing that I really want to do is get a black labrador puppy, but I guess Terhune's Royal Scam won't do, so we'll just have to call her Skeeter! — Thanks Sweetie! — Hey Girth, are you asleep yet? Let's go up to Canada & get some beer so we can sit in our rubber rafts out by the Welsh Hills Yacht Club, and catch some bass ( — no more blue gills!!!) — Are your toes curling yet? — PSYCHObabble. — Watch out for that opossum, Gary! (oppossum soup anyone?) — My, your eyes sure are GREEN. We could make a wok dinner during our countdown to grad. — No, I'VE got an idea . . . hey Steph, wanna go four wheeling? I know a great place! — Before we realized it, May 28 was here and gone . . . just like some of our friends. But, it's all relative and after our three week anniversaries the three muskateers will be headed out to sunny (foggy?) San Fran. — Hey, how's your resume coming along? — A **JOB?** Bah-ha-ha! — How about a trip to europe? — That waiter at Hamberger Mary's thought you were kinda cute! — We don't need to go back to Ghirardelli Sq. to see Ansel anymore . . . Surprise me, or did we get enough surprises from the little hellians, Skeeter & Dawbie? — Are you going to grad. school? — Where are you going to live? Why don't we just go to N.H. for the weekend — or sail to Martha's Vineyard? — Let's see how many people notice the "engagement" ring . . . — Do I want a single or a double . . . ? There's a wide selection at Shifty Acres! — How will be "break them in"? Actually, no one will be surprised when we tell them anyway. — Ken & Beth will never forgive us, but I still think it it's a cute picture (nothing compared to the one on the refrigerator though) — Well, Mr. W.T.O'C. along with the laughter and the tears, there's been one \_\_\_\_ (that's 25¢!) of a lot of fun and love — and I hope there's a lot more to come . . . in STEREO!!! — Hey clown, \_\_\_\_ (my parents are listening!), NOGOODNESS.

P.S. — I don't think the cows will ever come home!!!

CONGRATS KEN AND BETH!
